On Monday 14th March we are holding an informal event in school when the school choir will be singing, the orchestra will be playing and two of our pupil participation groups will be sharing the work they are doing in school. During the evening there will be an opportunity for you to discuss your responses to this questionnaire or any aspects of school life with staff and governors. Please come and join us for this event.

Thank you for taking the time to complete this questionnaire. We value the partnership we have between home and school; it is vital if children are to flourish and reach their true potential. We really are proud of our school and all our children.
